

# Securing Peace of Mind for you and your family, even during a global pandemic, can be surprisingly easy.

We've all seen the Covid numbers.  
This is scary stuff.

But believe it or not, in most cases, it's actually easier to buy life insurance today than it ever has been.

If you are:

- 65 or under (although we have plans available up to age 80);
- Fairly healthy (no significant pre-existing conditions);
- Looking for up to a million dollars in insurance...

**We have policies available with no exam required!**

**Check out these sample rates, for A MILLION dollars of life insurance, guaranteed for up to 40 years.**
